

Parenting/Caregiver Program

Handle with Care is a program for parents and other caregivers. It uses activities, games and discussions that support the social and emotional well-being of children from birth to 6 years as well as their caregivers. It helps you to:

- 😊 **build a strong relationship with your child**
- 😊 **build your child's self-esteem**
- 😊 **help your child express emotions**
- 😊 **help your child form healthy relationships with others**

If you are interested in participating in the Handle with Care program, please see the information below:
